

Dr. Manuel Jain is the People's Choice in Haines City, Florida

When patients love your health care enough to say it's their top choice, that's saying something. WellMed at Haines City couldn't be prouder of their own Dr. Manuel Jain. Dr. Jain has been practicing for over 50 years and has been with WellMed since 2015. His care and compassion are well known in Haines City and the surrounding areas.

This year, the Four Corners Sun newspaper, which serves the Davenport and Haines City communities, gave its 2024 People's Choice awards for Best Primary Care Provider and Best Physician to Dr. Jain.

He is no stranger to awards for his hard work, compassion and dedication. In 2017 Dr. Jain also won a prestigious Lifetime Achievement in Medicine award from the Heart of Florida Medical Center. At his current WellMed clinic, he has patient awards in five select areas: Patient Recommends, Making Time for Patients, Listens Attentively, Clear Explanations and most importantly, Patients' Top Choice.

Dr. Jain displays the excellence and quality care patients expect from WellMed. We're proud of him as a role model of the WellMed Core Values: Integrity, Compassion, Relationships, Innovation and Performance. Our physician leaders consistently display these attributes which further WellMed's overall mission. Congratulations to Dr. Jain and the care teams that support him!
